

## KC2175 Reflector and Lens Combination

KC2175 White 4' Reflector with Perforated Basket

# URBANUS

## Starting With a Simple Strip or Industrial Fixture...

The KC2000 Series offers several different configurations to help you create the perfect design. Using a manufacturer's 4 foot, 2 lamp strip fixture you can create the style of fixture for any application. Listed below are just some of the designs you can create.

## KC2175 Perforated Reflector and Perforated Basket

KC2150

KC2175

KC2175 Perforated

Modular kit provides reflector and basket options to achieve a reflected luminaire perfect for open plan office spaces and conference rooms where task surfaces are the focus. By choosing from reflector types and basket materials, the lighting designer controls the light intensity. The Urbanus can be used to retrofit a flush-mounted strip or a hanging strip.
